

## Trek Part

Trek Part - TREK Cleaning Machines is a manufacturer of cleaning machines. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over 60 years of experience effectively marketing, manufacturing, designing, developing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are committed to giving new design concepts and top quality in order to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines continually offers fresh design concepts. They like offering items that energize both their dealers and their partners and offer production gains to their customers.

The TREK team of employees likes new tasks and new challenges. They are really proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' skills and requirements along with their understanding of cleaning applications, together with owners' strong desire to considerably lessen expense through productivity gains.

When considered necessary, the workers within TREK and its many dealer members in both parts and in technical support would be accessible. Amongst their core values is their high service dedication in their customer service. Keeping their clients' cleaning machines ready and functioning on a daily basis is top priority. The company's top of the line technology delivers dependable machinery which ultimately reduces your cost of cleaning. The service, the product and the price all work as one to make them the leader in the business.
