

## Axle Tech Part

Axle Tech Part - The company of AxleTech International is a large supplier of specialty vehicle drive-train systems and components together with off highway vehicles. They take great pride in being a preferred supplier to their customer base. AxleTech strives to meet and exceed their customers' expectations for technology, delivery, quality and service. They believe in working within an environment that encourages the utmost integrity with empowered teamwork, together with a unrelenting pursuit of results.

AxleTech International is a General Dynamics company. They believe strongly in actively applying principals of ecological safety and stewardship in how they do business. The business has put various programs in place so as to articulate these values in their business policy. AxleTech gladly shares this policy and welcomes interested parties to offer them with whichever comments or questions, because they are happy to promote and share this policy with a greater knowledge of their efforts. They are extremely dedicated to improving and preserving the surroundings. AxleTech has an EHS program that not only protects the natural environment but which also actively protects their neighbors and staff too.

AxleTech prides themselves as being an innovative drive-train solutions provider. They specialize in manufacturing and designing planetary axles for both military and commercial applications. These applications vary from airport ground support to construction equipment. AxleTech particularly designs axles to meet certain application demands. They have over 1000 various axle specs within their existing offering. With more than 100+ years of skill and history, AxleTech proudly supplies the most complete solution for whatever of your axle needs. The business is well known in many commercial and military applications. They provide complete axle assemblies used for aftermarket replacement needs, along with servicing axle requirements for OE production. Their high mobility ISAS have extra details which could be seen in the "ISAS" product selection.
